

IT TAKES A MIRACLE TO STAY ORGANIZED.

## MiracleFold Instructions.

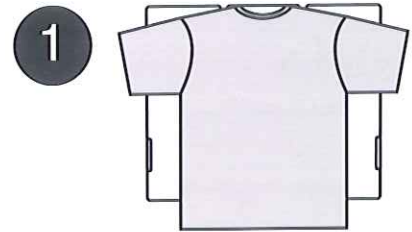

Finally you will never dread the laundry folding process again!  
Save precious space and time, get organized and have fun all at the same time!  
For All Types of Shirts or Tops; Short Sleeved, Long Sleeved, Collared, T-Shirts etc.

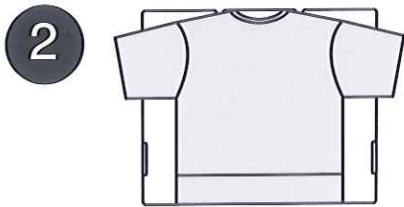

Please follow the panel numbers when reading the instructions. Also note the hand slots used for folding the panels in & out.

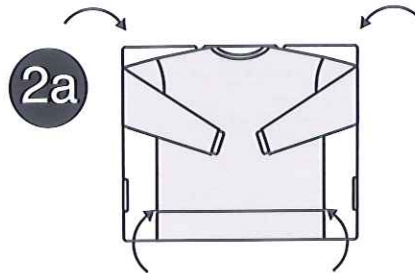

Place MiracleFold on flat surface with the anti slip rubber strip downward. Open & unfold all panels.

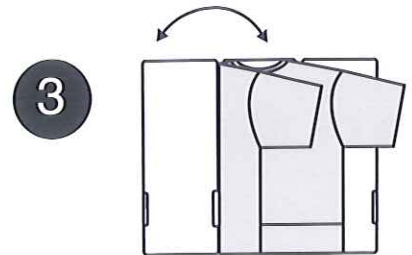

Open and place garment face down on the MiracleFold. Top of garment should be aligned with top edge of the MiracleFold.

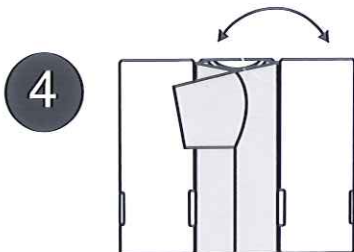

Fold bottom of garment so it aligns with bottom edge of the MiracleFold.

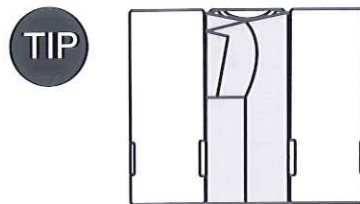

Alternately, when folding long sleeve garments as part of step 2, you may also want to fold the sleeves as shown here.

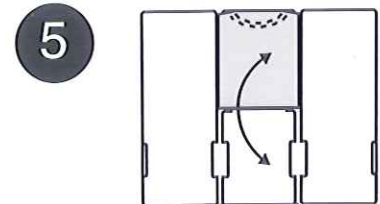

Using the hand slot on panel 1, lift panel 1 and fold it to center panel and back.

Using the hand slot on panel 2, lift panel 2 and fold it to center panel and back.

If needed, steps 3 & 4 may be repeated again until sleeves are completely folded in.

Lift bottom center panel (panel 3) and fold it to top center panel (panel 4) and back.

The process is now complete.  
You now have a MiracleFold'ed garment, which saves you space and keeps you ORGANIZED!

Please visit our web site to watch a short video on how to properly use the MiracleFold for all your garments including pants.
